Welcome to St. Thecla Catholic Elementary School!

Dear Parents,

Welcome to the St. Thecla Preschool Program! Our primary purpose is to be an extension of the educational ministry of the Church, which continues the teachings of Jesus. Each child, created by God, is a unique individual with his/her own pattern of growth and development. We invite each child to play, learn, and grow through Jesus Christ. Throughout your time at St. Thecla we will encourage and support each child's spiritual, cognitive, social-emotional, and physical growth.

We welcome you and your child to the program and trust that, with your participation, we can create a successful experience for your child's spiritual and educational growth through St. Thecla Catholic School.

Sincerely,

Tiffany Willette-Ennis, Monica Lawton and Nicole Duncan

Educational Environment

Professional Faculty

The faculty members at St. Thecla Catholic School are qualified, professional teachers. St. Thecla is blessed to have experienced educators with appropriate credentials and certifications in Early Childhood Education. Our teachers supplement their skills each year by attending yearly workshops, in-service hours, and conferences. Our program demonstrates appropriate positive guidance with reasonable guidelines for the students. Encouragement, good role modeling, redirection, logical consequences, and problem-solving techniques are used to guide, and teach the students the appropriate words, and skills needed to handle situations in a positive way.

Spiritual Component

Our goal is to instill young children with the values of Catholic principles within an academic setting. Religious education is part of our daily lessons and routines. Our school observes Catholic traditions of faith and service through community prayer, weekly mass, and daily routines. Students enrolled in the 4-year-old program begin attending weekly mass in October, and the 3-year-old students begin attending in January. Likewise, Catholic holidays are celebrated throughout the school year. All religious activities are part of the total academic curriculum. The loving care received by each child, models a Catholic way of living and learning with others.

Curriculum

The Early Childhood Program is designed to provide developmentally appropriate educational experiences in a Catholic environment, which encourages each child to explore, make decisions, be creative, discover, and solve problems. Our educators strive to provide children with a well-rounded learning environment. Every child's potential is limitless when nurtured in a loving, Catholic environment of learning, prayer, and play. Your child's education is our priority. Weekly communication including updates and important classroom

On days when students cannot go outside, the program will provide indoor active play that enhances gross motor development.

Birthdays | Celebrations

Birthdays may be celebrated on or near the child's birthday. No edible treats may be sent in due to allergies.

Parents will be notified of celebrations that will take place in the classroom such as Halloween, Christmas or any other holiday. It may be possible for parents to join on these occasions. You will be notified (if possible) and must have attended the **Protecting God's Children Workshop** as well as submitted a completed **criminal history background check form to attend.**

Participation

Parental Involvement | Field Trips

Any adult over the age of 18 that will volunteer in the classroom, attend special events in the school, and chaperone a field trip must complete a criminal background check and attend the Protecting God's Children workshop through the Archdiocese of Detroit. The teacher and/or the teacher assistant will be in attendance with all volunteers.

The Preschool Program typically organizes two field trips during the school year. The first field trip is scheduled in the fall and the second in the spring. These events are subject to change depending on health and wellness advisements (**COVID-19**). A parent/guardian is responsible for each child's transportation and must accompany the child for the duration of the field trip. Medical documentation is required if specific accommodations need to be met by all staff and personnel.

Protecting God's Children Workshop

This workshop is offered by St. Thecla Parish as well as other parishes in the Archdiocese of Detroit. Registration is required to attend the workshop. The schedule of workshops offered

School Policies

Preschool Forms

A copy of each child's Birth Certificate and Baptismal Certificate must be on file before the first day of school. A current copy of the child's immunization records must also be completed and kept on file before the first day of school.

Each child must submit a health appraisal form. The health appraisal form must be completed and signed by the child's physician. **This form must be completed and on file within 30 days of the first day in the program.** The health appraisal expires two years from the date of the physician's signature.

Several times a year a report of student immunization records must be sent to the Macomb County Health Department. Any students who are not up-to-date on their immunizations, according to the Health Department, will receive a letter detailing what immunizations are needed. Once the child's immunization records are updated, please bring in the updated records to the teacher.

Information and emergency cards must be completed in full for each child every year. Students will only be released to persons specified on the card. Custody arrangements will be addressed through court documents that are kept in the main office.

"We the community of St. Thecla Catholic School, dedicate ourselves to serving God through our growth in faith, education, and love for one another as members of God's Family."

The Preschool Program follows the guidelines described in this handbook in addition to St. Thecla's policies and regulations. Please refer to St. Thecla Catholic School Handbook for detailed information.

All necessary forms must be submitted to the classroom teachers at Parent Orientation Night. Please see the Early Childhood Handbook Documents Packet for the full list of necessary information.

Absences | Late Arrivals | Early Dismissals

If your child will be absent or late, please notify the teacher and include the reasoning. If you are arriving late, please be mindful of our classroom environment and drop off your child at the door. If your child will be dismissed early, please notify the teacher in a timely manner, and sign out your child in the school office before leaving. Please wait by the main office, and your child will be walked down at the time of their arranged early dismissal.

Dress Code

Please make sure that the children are dressed in simple and comfortable clothes that they can manage in the bathroom, recess, and naptime. For example, pants that have an elastic waistband are easier than pants with a zipper, button, and/or belt.

Sturdy shoes with socks must be worn, even on special occasions such as classroom celebrations, picture day, etc. **Sandals, flip-flops and Crocs are NOT permitted. No tie shoelaces, please.** Jewelry should not be worn at school, as it could be lost or cause injury.

Children must be dressed appropriately for weather conditions. During winter if your child wears boots to school, please be sure to pack a pair of shoes in their backpack.

Please keep an extra set of clothes (underwear, pants, shirt, and socks) to remain in the child's backpack in case of emergencies and replenish if used.

Emergency School Closing | Emergency Evacuation

The Preschool Program will follow the procedures of St. Thecla School regarding school cancellations due to weather conditions, mechanical failures, etc. School closing information can be found on the St. Thecla social media sites, radio station WJR-760 AM or TV channels 2, 4, or 7.

If there is a need for an emergency evacuation, all students and staff will be relocated to St. Luke's Elementary School located at 21400 S. Nunneley Road, Clinton Township, MI 48035 586-791-1151. Parents will be contacted, and staff will bring all necessary medications and designated crisis backpacks located in each classroom.

The Preschool Program follows the guidelines described in this handbook in addition to St. Thecla’s policies and regulations. Please refer to St. Thecla Catholic School Handbook for detailed information.

Students with special needs will be assisted in accordance to their specific needs and/or conditions. Medical documentation is required to meet specific accommodations.

Accidents | Injuries | Incidences Policy

If a child sustains a minor injury (scraped knee, etc.), parents will receive a report outlining the incident and the course of action taken by staff. Parents will be contacted immediately if the injury produces any type of swelling or needs medical attention.

For more serious injuries, the staff will call 911 and then contact the parent.

Parents will also be made aware of any incident that may occur during school hours.

Health | Illness Policy

Children, staff, and volunteers with signs of illness such as high temperature, vomiting, diarrhea, etc., should be kept at home for a minimum of 24 hours to ensure the health and well-being of others. If any child becomes ill during the day, parents will be contacted to pick up the child in a timely manner, and they will be removed from the classroom.

The teachers reserve the right to refuse admittance to any child who appears ill.

A child must be **fever and symptom-free for 24 hours**, without medication, to return to school. If your child has diarrhea, an undiagnosed rash, discharge from the eyes, nose and/or ears, or head lice, they must be kept at home.

If your child develops a contagious disease or rash of any kind during the school year, please call the office at (586) 791-2170. If any child exhibits symptoms of any contagious disease, i.e. Conjunctivitis or Strep Throat, state licensing requires that the child does not return to school for 24 hours from the time he/she takes medication for the condition. Additionally, **a physician's note is REQUIRED** stating the child has been medically cleared to return to school in the event of any office visits or hospital procedures.

Special Needs

Admission of children with special needs shall be compliant with state regulations, and reasonable effort shall be made to accommodate the children's needs and to integrate the children with other children.

"We the community of St. Thecla Catholic School, dedicate ourselves to serving God through our growth in faith, education, and love for one another as members of God's Family."

The Preschool Program follows the guidelines described in this handbook in addition to St. Thecla's policies and regulations. Please refer to St. Thecla Catholic School Handbook for detailed information.

Withdrawal Policy

It is expected that students enrolled in the Preschool Program will remain for the entire school year. However, if it should become necessary for you to withdraw your child, administration requires written notification. (See the current year's Tuition and Fees for the St. Thecla Tuition Refund Policy).

If the teacher feels that a child should be withdrawn from the program, a meeting with the parent(s), teacher, and administration will be scheduled for a determination to be made.

Volunteer Hours

Each school family is required to fulfill volunteer hours in accordance with School Policy. All families are required to volunteer for 20 hours throughout the school year based upon your enrollment agreement. Register for A to Z Connect to log all your volunteer hours.

Preschool Field Trips may not be counted towards volunteer hours.

Behavior Policy

As young children grow, they learn to develop relationships with other classmates and adults. It is important to teach the classroom and school behavior expectations beginning on the first day of school. As a community, we will work with our youngest learners on how to regulate feelings and give them the vocabulary to resolve conflict. When children know something is wrong, and choose to do it anyway, consequences will follow to communicate the behavior is unacceptable.

Expectations in the Classroom:

- Allowing each classmate the opportunity to receive attention from the teachers
- Being respectful of the people and materials in the classroom and in the school
- Showing kindness in our words and actions
- Being patient when it is someone else's turn
- Using self-control during activities and lessons
- Sharing classroom items and supplies when necessary

“We the community of St. Thecla Catholic School, dedicate ourselves to serving God through our growth in faith, education, and love for one another as members of God’s Family.”

The Preschool Program follows the guidelines described in this handbook in addition to St. Thecla’s policies and regulations. Please refer to St. Thecla Catholic School Handbook for detailed information.

Procedures for Enforcing Expectations:

Staff Members will:

- Encourage children to use kind words when having a disagreement
- Facilitate children in their attempts to settle their own disputes
- Redirect behavior when necessary
- Give students the opportunity to take a break if needed
- Counsel children individually about their behaviors and what is expected
- Communicate with parents about any situations
- Create an individual behavior plan if necessary

Disruptive behavior will be addressed in a developmentally appropriate manner. Please see the Preschool Behavior Rubric for age-appropriate consequences. If a child has difficulty managing his/her behavior on a recurring basis, parents will be asked to meet with the child's teacher, the early childhood director, and possibly the principal. An individualized behavior plan may be developed. If the child's behavior is dangerous to themselves, other children or adults it may be necessary for the child to be sent home for a time to be determined or removed from the preschool program altogether.

Please see the behavior rubric listed below.

COVID-19/ Pandemic & Distance Learning Plan

There may be times that procedures need to be changed due to the government mandates regarding COVID-19 and/or any other pandemic. These changes will be communicated to the parents and families of St. Thecla Catholic School via A to Z Connect and by email. Changes may include but are not limited to the following based on what phase our school environment, county or state may be in:

Phases 1-3:

- Adapting curriculum to a distance learning platform such as Seesaw and/or Google Classrooms, video class conferencing via Zoom or another online video service.
- Teachers will provide weekly videos of lessons, stories, or curriculum related content.
- Teachers will send weekly lesson plans/newsletters to inform parents of the themes or topics that will be covered for the week.

Phase 4:

- In-person instruction with the use of masks throughout common areas such as hallways and bathrooms. Students will be required to have masks to wear daily, and they should be changed out or laundered regularly. With proper medical documentation, face shields may be substituted for masks when necessary. Once in the classroom, masks/shields may be removed by the students.
- Temperatures will be taken daily at arrival and recorded on an attendance log. If COVID-19 symptoms or fevers over 100.4 are present, students will not be allowed to enter and will be sent home until cleared by medical professionals.
- Water bottles labeled with your child's name are encouraged since the drinking fountains will be closed.
- Field trips, assemblies, and large group gatherings will be cancelled until the state is in Phase 6, and these special events can be conducted safely. It may be possible to schedule a field trip or event in Phase 5 if the guidance of health professionals permit. Virtual field trips may be scheduled by the Early Childhood teachers.
- If the school is not in Phase 6, Back to School Night, Conferences and any other school community events may be postponed or conducted virtually. It may be possible for in person events if the community adheres to smaller time increments using Sign Up Genius linked with the rest of the school. All events will be observed according to the CDC recommendations if limiting face-to-face contact is the best way to reduce the risk of spreading of specific illnesses. Social Distancing markers will be used throughout the common areas of the school as well as in the classroom when necessary.

“We the community of St. Thecla Catholic School, dedicate ourselves to serving God through our growth in faith, education, and love for one another as members of God’s Family.”

The Preschool Program follows the guidelines described in this handbook in addition to St. Thecla’s policies and regulations. Please refer to St. Thecla Catholic School Handbook for detailed information.

- Students will be taught proper handwashing procedures and will be reminded frequently to wash their hands.

Illness and Absence:

1. If your child is infected with COVID-19, immediately contact your doctor for additional instructions. Also contact St. Thecla's main office and we will contact the local health department. Do not send your child to school.
2. If a student tests positive for COVID-19, the student must isolate and not return to school until they have met CDC's criteria to discontinue home isolation. This includes:
 - Three or more days without a high fever;
 - A reduction of other COVID symptoms by at least 75 percent; and
 - At least 14 days have passed since symptoms first appeared.
 - There has been a negative COVID-19 test, or they have been released from isolation according to CDC guidelines.
3. If someone in your household is infected with COVID -19, immediately contact St. Thecla's main office. We will contact the local health department, and they will provide you specific instructions on how long your child should be kept home.
4. If your student has been in close contact (within 6 feet for 15 minutes or more) with a person that has tested positive for COVID-19, according to the CDC, please quarantine by keeping them home to monitor for symptoms for the recommended amount of days. <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/quarantine.html>
5. If a teacher or staff member has COVID-19 symptoms or tests positive for COVID-19, we will follow the same protocols used for students and make all parents aware that a teacher has tested positive. All students taught by that teacher will be closely monitored for COVID-19 symptoms, and schools will follow local health department guidance.
6. Education on COVID-19: Teachers and staff will be trained on the signs, symptoms, and protection protocol of COVID-19 prior to school starting.
7. If a student develops symptoms of COVID-19 while at school, an isolation room will be available until the student is able to be picked up. Staff will call the parents or guardians immediately and remain with the child.

Distance Learning Plan

St. Thecla Preschool classes will be uploading and assigning weekly lessons to Seesaw Remote Learning. We will be using this online learning platform during in-person learning and in the event of a pandemic that may temporarily close the school for face-to-face teaching. We will provide both synchronous and asynchronous learning based on the AOD recommendations. Our weekly newsletters and all communications will also be uploaded weekly. Teachers will assign student codes at the beginning of the year.
