Virtue of the Month- RESPECT

A prayer said over the PA this week:

Dear Jesus,

Please help me to show respect to people who are in authority over me as I show respect to You. Please help me to give all people the respect they deserve as Your special creations. Amen.

We share daily about expectations and the importance of showing respect in our words and actions. We've had some challenges with respect. One area that needs attention is the showing of respect with following the school uniform guidelines. The guidelines are clearly posted on our website and in choosing to attend St. Thecla, the expectation is that they will be followed.

We also talk regularly about being our best version of ourselves. Not all students are making the best choices in terms of behavior. Teachers address behavioral infractions as needed in class and when the situation warrants an office discipline referral is it addressed in a timely manner. We do not share the specifics of the follow up or consequences but when major issues arise, they are addressed with student and parents.

It takes our shared partnership to grow learners, leaders, and good citizens.

Home and School Information

Hi everyone!

It's hard to believe but the end of the school year will be here before we know it! This is just a friendly reminder that volunteer hours are due by May 1st. Each family is required to volunteer for 20 hours and these CANNOT include sports or your student's volunteer hours (for the older students). For any hours not completed, you will be charged \$25/hour on your FACTS account. We have a number of events happening in the upcoming weeks and have compiled a list below along with sign up links/contact information. Don't forget recess duty is always looking for help as well! Please visit <https://sttheclahs.membershiptoolkit.com> to log your hours or check to see how many you have already. If you have any questions, please contact one of the following volunteers.
