## **Preschool Behavior Policy**

The safety and education of your child are of the utmost importance to all involved in their growth and development. We have set up specific guidelines that will always be in effect in our classrooms. These are as follows:

Follow directions the first time given.

Keep hands and feet to yourself.

Be kind to one another. We try never to hurt anyone on the inside.

Clean up and put things away.

Be a good listener-raise your hand.

Use walking feet in school.

Use "inside" voices.

Be polite. Only one person speaks at a time.

In order to guarantee your child and all the other students the positive learning climate they deserve, we will use a logical consequences approach to discipline. For example, if a child misuses a toy, the logical consequence would be that the child would lose the privilege of using that toy. If a child is having a difficult time interacting with others, he/she will be asked to spend some time away from the group. Often, this is so the child can calm themselves, re-group, and, within a few minutes, join their classmates again. If this system is ineffective for your child, we would like to sit down with you and set up an alternative discipline plan. **We believe positive reinforcement to be an effective alternative to discipline.**

## **15 Second Intervention**

Pull the student aside privately. Use a calm voice. Don't argue. Stick to the points below.

\* I saw you\_\_\_\_\_. (Repeat to them what you saw and heard.)

\* This is mean behavior.

\* I would never let someone disrespect you, and it's not okay to do what you did to\_\_\_\_\_(other students).

\* We don't do that here.

\* This needs to stop.

## St. Thecla Preschool Program - Change of Clothing Waiver

During the course of events in the Early Childhood Program, it may become necessary for your child to require changing their clothes. This may be due to one of various reasons ranging from a simple spill to vomiting or a bathroom accident. Children **MUST** be able to perform this task themselves with supervision. By signing this waiver, you are agreeing to two things:

1. To supply a complete set of clothes (including socks and underwear) in a bag labeled with your child's name, to be kept in your child's backpack just in case they are needed, and to be replaced by the following school day in the backpack.
2. You are giving permission to St. Thecla School staff members to be present to supervise your child as necessary.

Please be aware:

IF YOU DO NOT SIGN AND RETURN THIS WAIVER, YOU WILL BE CALLED AND REQUIRED TO COME TO THE SCHOOL AND ASSIST YOUR CHILD SHOULD THEY SOIL THEIR CLOTHING TO THE EXTENT THAT REQUIRES CHANGING.

I, the undersigned, agree to supply St. Thecla with a complete change of clothes for my child and to replenish items used by the next school day.

## St. Thecla Preschool Program - Handwashing

St. Thecla Catholic School's early childhood takes the health and wellness of our students seriously. Below is our health care plan.

### **Children and Staff Handwashing:**

Children must wash their hands before eating and after using the restroom. Adults must wash their hands prior to passing out food (even though they use food service gloves) and after using the restrooms. Hands must be washed as follows: wet hands, lather up with soap and rub for at least 20 seconds, rinse, and dry.

### **Handling Children's Bodily Fluids:**

Caregivers must use gloves when handling children's bodily fluids. Gloves must be thrown away immediately after. Soiled clothing must be put in a sealed plastic bag given to parents at dismissal. If clothing is placed in a backpack, caregivers must notify parents that soiled clothing is there in case they don't check.

### **Cleaning and Sanitizing All Toys and Surfaces:**

All surfaces, including toys and tables, must be cleaned and sanitized using the three-step cleaning process with bleach and water (air drying).

### **Controlling Infections:**

All children who are ill will be excluded from the early childhood program until they are feeling better. Any communicable diseases will be reported to the main office, and a letter will be sent home to all parents when applicable.

**ARCHDIOCESE OF DETROIT**  
**ANNUAL PESTICIDE APPLICATION NOTIFICATION LETTER**

Dear Parent or Guardian:

The St. Thecla Catholic School/Daycare center utilizes an Integrated Pest Management (IPM) approach to control pests. IPM is a pest management system that utilizes multiple techniques to prevent pests from reaching unacceptable levels or to reduce an existing population to an acceptable level. Pest management techniques emphasize pest exclusion and biological controls. However, as with most pest control programs, **pesticides may also be utilized** at our facility.

This notice has been provided in compliance with MCL324.8316 and must be provided before the beginning of the school year (for schools) or in September (for daycare centers). We are also required to notify you of your right to review the IPM Plan and IPM records. An IPM plan and records are required for pesticide applications inside the school and daycare center, exclusive of sanitizer, disinfectant, germicide, and anti-microbial applications.

You also have the right to be informed prior to any application of a pesticide in or at the school grounds or buildings during this school year, with the exception of bait, gel, sanitizer, disinfectant, germicide, and anti-microbial applications. In certain emergencies, such as an infestation of stinging insects, pesticides may be applied without prior notice to prevent injury to students, but you will be notified following any such application.

At least 48 hours before an application, advance notification will be given by:

- 1) posting at commonly used entrances to the facility **and**
- 2) by one of the following

1. Posting on facility's website

Advance notification signs will be posted at the following commonly used entrances: *The front door of the school.*

**The following individual is responsible for pesticide application procedures:**

**Name: Jeanette Markiewicz**

**Telephone Number: (586) 791-2170**

**E-mail address (if available):**

In addition to the above methods of notice, **the parent/guardian is entitled to receive the notice by first-class U.S. mail postmarked at least 3 days before the application.**

**If you need prior notification, please complete the information below and return it to Ms. Karwoski:**

# CONCUSSION

## What is a concussion?

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. It can also be caused by the shaking or spinning of the head or body. Even a "ding," "getting your bell rung," or what seems to be a mild bump or blow to the head can be serious.

You can't see a concussion. Signs and symptoms of concussions can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If the student reports any symptoms of a concussion, or if you notice symptoms yourself, seek medical attention right away.

## If you suspect a concussion

- 1. SEEK MEDICAL ATTENTION RIGHT AWAY** A health care professional will be able to decide how serious the concussion is and when it is safe for the student to return to regular activities, including sports.
- 2. KEEP YOUR STUDENT OUT OF PLAY**

Concussions take time to heal. Don't let the student return to play the day of the injury and until a health care professional says it's OK. Students who return to play too soon while the brain is still healing-risk a greater chance of having a second concussion. Repeat or second concussions can be very serious. They can cause permanent brain damage, affecting the student for a lifetime.

## 3. TELL THE SCHOOL ABOUT ANY PREVIOUS CONCUSSION

Schools should know if a student had a previous concussion. A student's school may not know about a concussion received in another sport or activity unless you notify them.

## Concussion danger signs

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. A student should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that gets worse
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people or places
- Becomes increasingly confused, restless, or agitated
- Has unusual behavior
- Loses consciousness (even a brief loss of consciousness should be taken seriously)

## How to respond to a report of a concussion

If a student reports one or more symptoms of a concussion after a bump, blow, or jolt to the head or body, s/he should be kept out of athletic play the day of the injury. The student should only return to play with permission from a health care professional experienced in evaluating for concussion.

During recovery, exercising or activities that involve a lot of concentration (such as studying, working on the computer, or playing video games) may cause concussion symptoms to reappear or get worse.

# ST. THECLA CATHOLIC SCHOOL

## Annual Parent/Teacher Asbestos Notification

TO: Parents and Staff of St. Thecla Catholic School

St. Thecla has had an Asbestos Management Plan prepared in compliance with the USEPA Asbestos Hazard Emergency Response Act (AHERA). This plan and subsequent updates are available for inspection Monday through Friday during normal school hours in the main school office.

A six-month Periodic Surveillance review, required for the AHERA regulation, was conducted by qualified personnel to re-evaluate the condition of asbestos-containing material at the facility.

The (Three-Year Re-inspection or Surveillance Review) also evaluated Operations and maintenance procedures that will keep asbestos material in good condition.

If you have any questions, please contact (Jeanette Markiewicz, Asbestos Coordinator), our designated person for asbestos activities.
